Re: *Hara v. Mak, et al.*, 13-cv-2924 (SJF) (AKT)

Dear Judge Feuerstein,

We represent Plaintiff Katrina Hara in the above-referenced matter, and we write jointly with Defendants' Counsel to respectfully request a 14-day adjournment of the status conference scheduled for Monday, October 21, 2013 to finalize settlement. Since our last adjournment request to the Court, the parties have engaged in discussions and agreed to settle the claims arising out of this matter privately. The additional 14-day adjournment period would allow the parties to finalize and memorialize the terms of settlement.

While this is the second adjournment request in this matter, we request it solely to allow finalization of a written settlement agreement reflecting the agreement in principle that the parties have now reached. The parties will jointly inform the Court once settlement is finalized.

We appreciate the Court's time and attention to this matter.

Respectfully submitted,

Noah Levine
